How the Affiliate portal looks

Each affiliate has a personal access to the Affiliate portal where they can see how many people click the links, make purchases, and what profit they will get as a result

The screenshot shows the CloudCommerce Affiliate portal dashboard. The top navigation bar includes the CloudCommerce logo, a user profile for Helen Test, and a bookmark icon. The left sidebar contains a menu with options: Affiliate CP (selected), Dashboard, My profile, Products, Networks, Withdraw funds, Transactions, Page monitor, Redirects monitor, Daily stats, and Monthly stats. The main content area is titled 'Dashboard' and includes a breadcrumb trail 'Home > Dashboard'. It features four key performance indicator (KPI) cards: 'CURRENT BALANCE' at 0.00 USD, 'ORDERS' at 1, 'CUSTOMERS' at 1, and 'SUBSCRIPTIONS' at 1. Below these is a 'Top agreements' section with a table listing agreements.
